

5th–7th July 2021

Oxford University
Examination School

BRITISH OBESITY & METABOLIC
SURGERY SOCIETY

BOMSS looks forward to welcoming delegates to the 12th BOMSS Annual Scientific Meeting which will be taking place in Oxford from the 6th–7th July 2021.

BOMSS will be holding the BOMSS Training Day For Trainee Surgeons and Integrated Healthcare Professionals on Monday 5th July 2021

HIGHLIGHTS INCLUDE:

Gut hormones and appetite control – Neurophysiology for dummies
Pitfalls of bariatric surgery in heart disease – an anaesthetic perspective

Sarcopenia and PCM – recognition, management and prevention

Forget Zoom! The future of virtual consultations is much more exciting!

Multiple abstract presentations

Debate: Bariatric tourism should be encouraged!

Should UK embrace banded procedures? Old problem in a new guise? For Vs Against

Supporting patients with excess skin after bariatric surgery: perspectives from the patient, psychologist and plastic surgeon
